

Republic of the Philippines
Department of Transportation

CIVIL AVIATION AUTHORITY OF THE PHILIPPINES
Office of the Director General

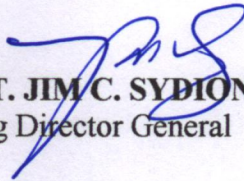

ADVISORY CIRCULAR NO.: 01-16

TO : **ALL CONCERNED**
FROM : **ACTING DIRECTOR GENERAL**
DATE : SEP 19 2016

In light of the official announcement by Samsung to recall and voluntarily replace all Galaxy Note 7 devices already sold to the public due to reported incidents of exploding and catching fire, the Civil Aviation Authority of the Philippines **strongly encourages** all operators to advise passengers not to turn on or charge these devices while inside the airport premises and/or on board the aircraft.

Moreover, all are enjoined to require passengers not to stow these devices in any checked baggage, but instead carry these devices with them where an incident can be immediately mitigated.

Likewise, Operators are endeavored to check their international destinations advisories on the carriage and use of the said device.

CAPT. JIM C. SYDIONGCO
Acting Director General

"The Future is in the Skies"
