ROAN JILL E. HABOC
 BAC Chairperson

¹ In case of discrepancy on the business name as reflected on this RFQ and as reflected in the Business Permit, the latter shall prevail.

INSTRUCTIONS:

Note: Failure to follow these instructions will disqualify your entire quotation.

- (1) Do not alter the contents of this form in any way.
- (2) The use of this RFQ is **highly encouraged** to minimize errors or omissions of the required mandatory provisions. In case of any changes, bidders must use or refer to the latest version of the RFQ, except when the latest version of the RFQ **only** pertains to deadline extension.

If another form is used other than the latest RFQ, the quotation shall contain all the mandatory requirements/provisions including manifestation on the agreement with Terms and Conditions below.

In case a prospective supplier/service provider submits a filled-out RFQ with a supporting document (i.e., a price quotation in a different format), both documents shall be considered unless there will be discrepancies. In this case, provisions in the RFQ shall prevail.

- (3) **All mandatory technical specifications (with asterisk) must be complied with.** Failure to comply with the mandatory requirements shall render the quotation ineligible/disqualified.
- (4) Quotations may be submitted through electronic mail at **bac_area3@caap.gov.ph**.
- (5) Quotations, including documentary requirements, received after the deadline shall not be accepted. For quotations submitted via electronic mail, the date and time of receipt indicated in the email shall be considered.

TERMS AND CONDITIONS:

1. Bidders shall provide correct and accurate information required in this form.
2. Any interlineations, erasures, or overwriting shall be valid only if they are signed or initialed by you or any of your duly authorized representative/s.
3. Price quotation/s must be valid for a period of thirty (30) calendar days from the deadline of submission.
4. Price quotation/s, to be denominated in Philippine peso, shall include all taxes, duties, and/or levies payable.
5. Quotations exceeding the Approved Budget for the Contract shall be rejected.
6. In case of two or more bidders are determined to have submitted the Lowest Calculated Quotation/Lowest Calculated and Responsive Quotation, CAAP Area Center III shall adopt and employ "draw lots" as the tie-breaking method to finally determine the single winning provider in accordance with GPPB Circular 06-2005.
7. Award of contract shall be made to the lowest quotation which complies with the technical specifications, requirements and other terms and conditions stated herein.
8. The item/s shall be delivered according to the accepted offer of the bidder.
9. Item/s delivered shall be inspected on the scheduled date and time of the CAAP Area Center III. The delivery of the item/s shall be acknowledged upon the delivery to confirm compliance with the technical specifications
10. Payment shall be made after delivery and upon the submission of the required supporting documents, i.e., Order Slip and/or Billing statement, by the supplier, contractor, or consultant. Our Government Servicing Bank, i.e., the Land Bank of the Philippines, shall consultant not earlier than twenty-four (24) hours, but not later than forty-eight (48) hours, upon receipt of our advice. Please note that the corresponding bank transfer fee, if any, shall be chargeable to the account of the supplier, contractor, or consultant.

SCOPE OF WORK

I. GENERAL

The works to be accomplished by the successful bidder shall consist of furnishing, supervision, labor, materials, supplies, tools and equipment to complete the **Repair and Repainting of Runway Markers/ Markings at Baler Airport**.

II. LOCATION OF PROJECT

The Contract to be bid is located at **Baler Airport, San Luis, Aurora**.

III. SCOPE OF WORK

The details of work are at best enumerated below, but be noted that the Contract includes all works and services although not specifically mentioned herein, but are needed to fully complete the Project.

The Project covers the supply of labor, materials, mobilization/demobilization, tools/equipment, necessary for **Repair and Repainting of Runway Markers/Markings at Baler Airport** with the following scope of works which shall be done in accordance with the approved plans, specifications and provision of contract to wit: (Work shall include but is not limited to the following);

1. Mobilization / Demobilization

This work includes mobilization and demobilization of the contractor's forces and equipment necessary for performing the work required under the contract.

- a. Mobilization shall include all activities and associated costs for transportation of contractor's personnel, equipment, and operating supplies to the site; establishment of offices, buildings and other necessary general facilities for the contractor's operations at the site.
- b. Demobilization shall include the disassembly, hauling/removal of debris/rubbish, and site clean-up of offices, buildings and other facilities assembled on the site.
- c. Project Information Sign

In accordance with the COA Circular No. 2013-004 dated January 30, 2013. To promote good governance through transparency and accountability, infrastructure projects shall have a tarpaulin signboard, suitability framed for outdoor display at the project location, and shall have the following specifications:

- a. White, 8ft by 8ft in size
- b. Resolution: 70 dpi
- c. Font: Helvetica
- d. Font Size: Main Information- 3"; Sub Information-1"
- e. Font Color: Black"

In compliance with the Proclamation Np. 486, S.2024 project billboards shall bear the message, "This is Where Your Taxes Go", to be placed above or below the project billboards. The design and format of the tarpaulin shall have the following specifications:

- a. White, 8ft by 1ft in size
- b. Resolution: 70 dpi
- c. Font: Helvetica
- d. Font Size: Main Information- 6"
- e. Font Color: Black"

2. Partial Removal of Runway Marking

The work includes providing labor, materials, tools, and equipment for the removal of existing paint in the designated partial area of the runway marking. The activities involve coordinating with the Project-In-Charge assigned by CAAP, cleaning the surface, and removing the old paint using approved methods such as applying paint remover while ensuring that no damage is caused to the pavement. All removed materials must be properly collected and disposed of in compliance with environmental and airport regulations, and the treated surface shall be left clean and free of debris.

3. Runway Markings

The work includes labor and materials to complete the repainting of runway markers, such as, runway centerline, touchdown zone, threshold, transverse markings, runway designation number, runway side stripes, as per indicated on program of work. (Workmanship must be approved by the Project-In-Charge assigned by CAAP)

4. Distance To-Go Markers

The work includes labor and materials for repair/replacement of Distance to-go Markers. The work covers 8 pcs./sets of distance to-go markers, as per indicated on program of work. (Materials used and workmanship must be approved by the Project-In-Charge assigned by CAAP).

5. Stopway End Markers

The work includes labor and materials for repair/replacement of Stopway End Markers. The work covers 4 pcs./sets of distance to-go markers, as per indicated on program of work. (Materials used and workmanship must be approved by the Project-In-Charge assigned by CAAP).

All scope of work to this item must be according to plan and specifications and approved by the Engineer-In-Charge. Quality and types of materials must conform and to be approved by the Project Engineer assigned by CAAP.

The contractor shall be responsible in providing personal protective equipment (PPE) for staffs and workers, and Safety Inspectors or Safety Engineers on site while construction is ongoing. Regular safety reports should be reported.

The contractor shall be responsible for all laboratory, material testing, environmental compliance certificate (ECC), building and safety permits and survey instruments necessary in the project implementation. All expenses shall be incorporated in the contractor's overhead cost and shall not be considered as pay item.
