

ERRATUM

On September 11, 2025, the Generator Set (100KVA Power, 1 Phase, 22V, 60HZ, 1800RPM) for Camiguin Airport was published in the PhilGEPS Website with the following details:

Bid Reference Number : 12387223
Procurement Mode : Public Bidding
ABC : ₱1,500,000.00
Date of Publication : September 11, 2025, to October 1, 2025

The above procurement went through the process following the guidelines stated under the Revised IRR of RA 9184; however, a mistake happened when it was mistakenly input in the PhilGEPS system the date posting of award in the Bid Reference No. as "December 17, 2025", the same date as the published date, instead of "October 15, 2025". Also, the procurement project title was mistakenly encoded as "Genrator" instead of "Generator".

This explanation is intended to correct our previous posting and to promise not to make the same mistake in the future.

For your consideration and perusal.
