Notice of Proposed Rule Making (NPRM)

Notice No. AANSOO-013-2026	**Issuing Office:**	Civil Aviation Authority of the Philippines (CAAP) Aerodrome and Air Navigation Safety Oversight Office (AANSOO) Regulatory Safety Standards Division (RSSD)
Issue Date. 22 September 2026		
Publication Date. October 2026		
Expiry Date. 05 October 2026		
Related Reg. CAR-ANS Part 15		
Status: Amendment		

PROPOSED NEW/AMENDMENTS TO NATIONAL REGULATIONS/STANDARDS

The text of the new/amendments is arranged to show deleted text with a line through it and new text highlighted with grey shading, as shown below:

~~Text to be deleted is shown with a line through it.~~	text to be deleted
New text to be inserted is highlighted with grey shading.	new text to be inserted
~~Text to be deleted is shown with a line through it,~~ followed by the replacement text which is highlighted with grey shading.	new text to replace existing text

CIVIL AVIATION REGULATIONS – AIR NAVIGATION SERVICES (CAR-ANS) PART 15

...

15.1 GENERAL

In conformance with the ICAO SARPS as contained in Annex 15, the object of the aeronautical information services (AIS) is to ensure the flow of aeronautical data and aeronautical information necessary for global air traffic management (ATM) system safety, regularity, economy and efficiency in an environmentally sustainable manner. The role and importance of aeronautical data and aeronautical information changed significantly with the implementation of area navigation ~~(RNAV)~~, performance-based navigation (PBN), airborne computer-based navigation systems, performance-based communication (PBC), performance-based surveillance (PBS), data link systems and satellite voice communications (SATVOICE). Corrupt, erroneous, late or missing aeronautical data and aeronautical information can potentially affect the safety of air navigation.

...

15.1.1 DEFINITIONS

...

Area navigation ~~(RNAV)~~. A method of navigation which permits aircraft operation on

any desired flight path within the coverage of ground or space-based navigation aids or within the limits of the capability of self-contained aids, or a combination of these.

~~*Note. – Area navigation includes performance-based navigation as well as other operations that do not meet the definition of performance-based navigation.*~~

...

Navigation specification. A set of aircraft and flight crew requirements needed to support performance-based navigation operations within a defined airspace. There are two kinds of navigation specifications:

...

~~*Area navigation (RNAV)*~~ *specification.* A navigation specification based on area navigation that does not include the requirement for performance monitoring and alerting, designated by the prefix RNAV, e.g. RNAV 5, RNAV 1.

...

Performance-based navigation (PBN). Area navigation based on performance requirements for aircraft operating along an ATS route, on an instrument approach procedure or in a designated airspace.

Note. – Performance requirements are expressed in navigation specifications (RNAV specification, RNP specification) in terms of accuracy, integrity, continuity, ~~*availability*~~ *and functionality needed for the proposed operation in the context of a particular airspace concept. Availability of a global navigation satellite system signal in space and/or some other navigation aid infrastructure is considered within the airspace concept in order to enable the navigation application.*

-END-

INSTRUCTION

a. This form can be accomplished through handwritten or computerized.

ITEM	DESCRIPTION
Notice No.	Indicate the Notice No. staring with number 1 then followed by the year issued.
Issue Date.	Indicate the date of uploading in the CAAP official website.
Publication Date.	Indicate the date of the proposed publication date.
Expiry Date.	Indicate the deadline of submission of comments.
Related Re.	Indicate the related regulations/standards affected by the new/amendments.
Status	Indicate whether new issue or amendment to the regulations/standards.
Issuing Office	Indicate the name of the issuing office.
Text	Indicate the text of the new/amendments is arranged to show deleted text with a line through it and new text highlighted with grey shading.
